I would like to say a prayer on behalf of Leesa to Archangel Azrael.

Archangel Azrael is the Angel who primarily helps people cross over to Heaven at the time of death. He also is a quiet presence for those who are grieving.

A few weeks ago it was brought to my attention that Azrael was going to help someone crossover in the family. I did not know who it would be at that time but I should convey that Archangel Azrael was there and provided comfort to Chris prior to his physical passing. He made sure Chris did not suffer and is helping Chris to assimilate to the other side.

Archangel Azrael and Chris are here to help Leesa & Chris' Family & Friends to cope and thrive during this time of need.

Archangel Azrael - if you call upon him - will help with the grieving process. He will not interfere with the process but will be a source of quiet strength and comfort. Like an arm around your shoulder.

With that said, I would like to start the prayer now...

PRAYER TO ARCHANGEL AZRAEL

Archangel Azrael, please comfort Leesa now. Please help Leesa to heal. Please lift Leesa's heart above the heaviness and help her release the tears and connect to her beloved Chris in Heaven. I ask that you infuse this connection with energy so that Leesa may clearly communicate with Chris. I know that Chris will be nearby and that Azrael will watch over both Chris and Leesa. Thank You, Azrael

Azrael will also enlist the help of others.

For Example:

Archangel Michael for Strength
Archangel Raphael for Healing
